Writing

ANSWER SHEET

Startupstoday - better world tomorrow
Our town isn't exactly known¹⁰ for
innovations, but with new schools and even
universities being²⁰ opened, the situation
is changing. Thanks to the people
behind³⁰ "Young Peoples" magazine I had the
opportunity to visit this⁴⁰ annual⁵⁰ startup
festival

St.

Punct.
Punct.
Gr.

Right near the entrance there was
a¹⁰ robotics exposition, which was the
most futuristic out of all²⁰ I've seen.
They have shown robots that were
able to³⁰ clean a house, like robotic
maids. Also they claimed they⁴⁰ made
a robot for law-enforcement use
that can shoot guns⁵⁰, but for obvious
reasons they didn't bring ~~it~~ to the
festival.⁶⁰ If this startup blows up we
could forget about ever⁷⁰ cleaning our
houses ourselves in ~~the~~ a couple of
years.

Gr.

A lot of other startups were not so
impressive, but even¹⁰ those that were,
they clearly struggled with money as
stores²⁰ are sceptical about stocking
their shelves with products that
startups³⁰ made. Also a huge challenge
for startups is manufacturing as it is
really expensive to get a contract with
a factory.⁴⁰

Gr.

Сморгонск сегоднешний и завтрашний

Writing

ANSWER SHEET

I asked a few people who visited this festival about ¹⁸⁰ what they ¹⁹⁰ thought of the startups. John (twenty one years ¹⁹⁰ old): "Absolutely loved the ideas of the startups, but ²⁰⁰ execution is definitely lacking." Sp. Marie (nineteen years old): "I think they ²¹⁰ (the startups) are all just a scheme to get grants ²²⁰ from the government." Punct.

Personally, I feel ²³⁰ young adults should definitely ²⁴⁰ have a place to show-off their new businesses ²⁵⁰ and innovations. ²⁶⁰ And the festival is a great place for that. ²⁷⁰ Gr.
