Proposal for organisation of the
upcoming festival

Dear council,

We are the club that received your grant for the organisation of the local festival. We want to present suggestions regarding its content and sincerely hope for your approval.

Our suggestions

One of the activities is a quest for children from seven to twelve years old. ~~The~~^{Its} premise is simple - looking for treasures. During it the children will learn a lot about our town's history in a fun way and test their own erudition. One of the quest's central characters is a kid as well to help young participants connect to the people of the past.

Another suggestion is a master class for crafts that were practised for centuries, like making baskets, straw toys and many more. It is interesting for all ages and might help people discover a new hobby.

The last idea is especially interesting. A part of our ancient fortress is currently being reconstructed. Our idea is to leave a small part unreconstructed, so the people themselves can rebuild it. Under the organiser's control, anyone will be able to place a brick back at its place. This way the citizens will have a part to play in preserving our cultural heritage.

We have contacted other organisations that are willing to assist, specifically the fortress museum. It considers the third suggestion possible. We are looking forward to this event and hope for your cooperation.
